Lucknow
Dated: 1st May 2023

Dear Sir,

Warm Greetings. In pursuance of our last meeting held on 18th April 2023, I am forwarding here the revised list of 78 institutions in the format as desired by you for your perusal and approval of the institutions for the NIRF.

The list consists of colleges across 42 Districts of Uttar Pradesh. 3 college names were repeated, and 2 Universities that are not under our purview. Therefore, number stands 78 Colleges against 83 Colleges that may be selected for NIRF. It was really a stupendous task to search for AISHE ID of every institution, and that is why It took more time in preparation of revised correct draft list.

You are requested to approve the list and issue the necessary instructions to the concerned authorities, so that we may start our process as soon as possible. It is also important to mention that it was decided in the meeting for our networking with Higher Education Institutions via RHEOs. Therefore, video conferencing or physical interaction of CRISP team with the RHEOs, if possible, will help us in furthering the process.

As we are closing on dates, and the process of NIRF ranking starts on 1st September, we need to prioritize the final selection of colleges.

Thanking you with regards
